# Zenith's Values

## QUALITY

Our hallmark! We're committed to provide a quality service recognized by our clients, consultants, and partners

## PERSEVERANCE

Total determination! We address all our clients' needs with unwavering energy, unearthing the perfect fit no matter how long it takes.

## HUMILITY

We firmly believe in the benefits of transparent feedback and the principles of continuous improvement, constantly refining the quality of our services.

## TEAM

Team Power! We unite our efforts, collaborating with empathy and trust for the success of all stakeholders.

## DIVERSITY

Our strength lies in our variety. A multicultural team united, where each talent contributes to making us better.

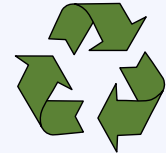

## MADE IN FRANCE

All our taxes are paid in France, and our profits are reinvested in the country's technology industry.

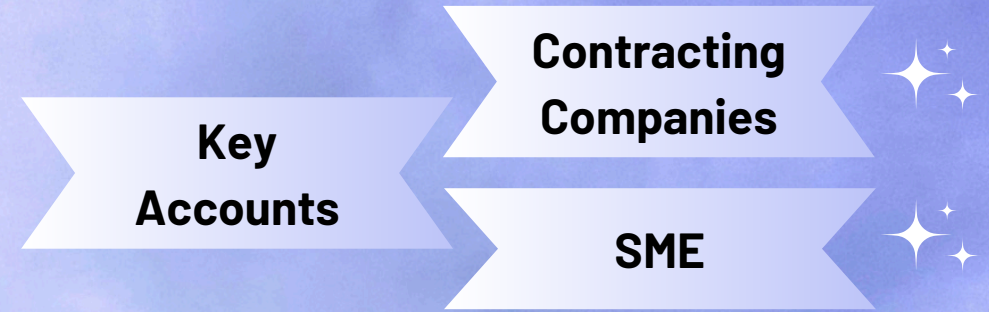

## DURABILITY

We aim to minimize our impact on the environment and leave a positive footprint for a better world!

# Our Recruitment Process - Freelance

## 1- Contact

Fill out the form on the website, one of our experts will contact you within **1 hour max.**

*It's free, we only operate on results!*

## 2- Matching

In less than **24 hours**, we will provide you with several candidates. The Zenith App allows you to track the progress of our searches and schedule appointments with the candidate of your choice **autonomously**.

## 3- Contracting

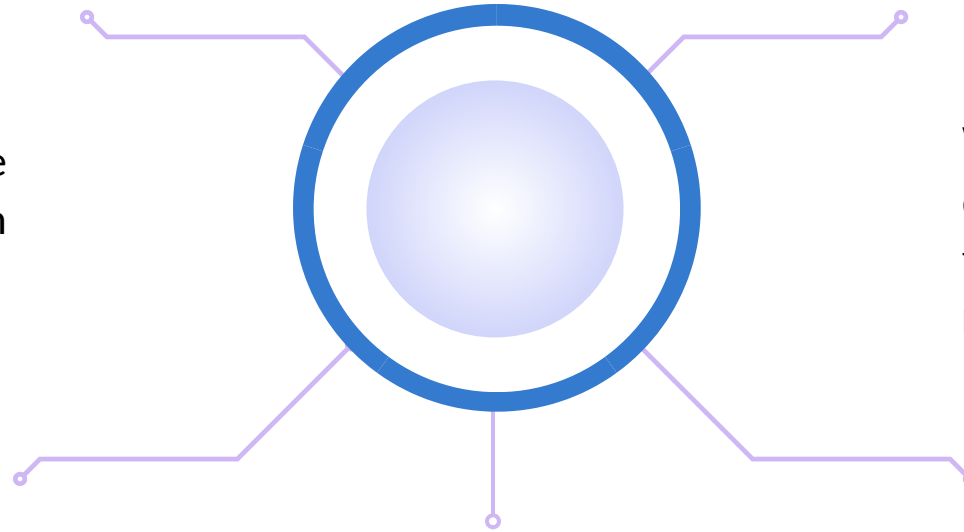

Once the selection process is completed, we collaborate to define the objectives and deliverables of the mission. Finally, **we handle all contractual procedures**, ensuring your security.

## 5- Feedback

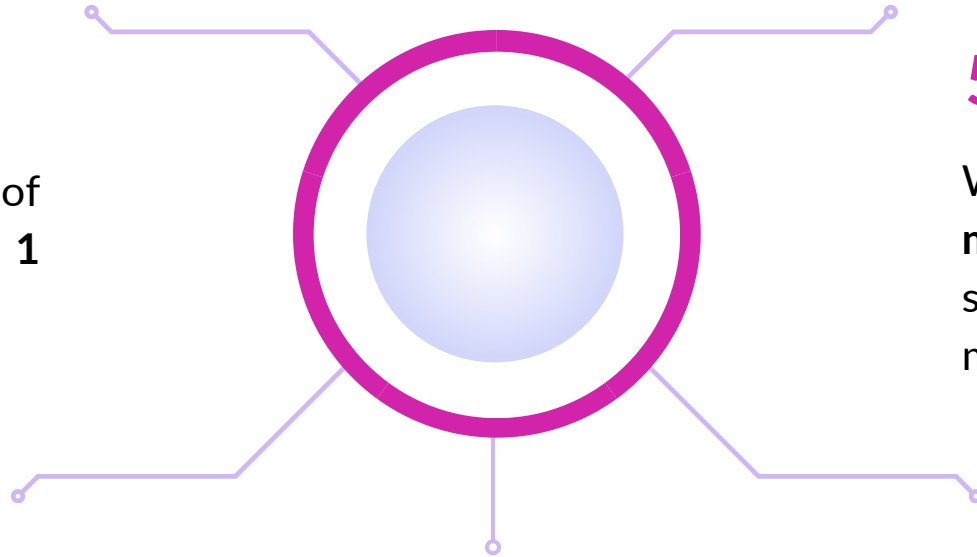

We encourage our consultants to deliver quality missions by offering them the opportunity to receive a **recommendation from you**, which will help them in their future endeavors.

## 4- Follow-up

We continue to support you during and after the mission with **monthly touchpoints** and **satisfaction surveys** to continuously improve our services.

# Our Recruitment Process - CDI

## 1- Contact

Fill out the form on the website, one of our experts will contact you within **1 hour max.**

*It's free, we only operate on results!*

## 2- Contracting

After thoroughly understanding your needs, we establish a contract with a **guarantee clause to protect you** in case the collaboration does not materialize.

## 3- Matching

**In less than 72 hours**, we will provide you with several candidates. The Zenith App allows you to track the progress and schedule appointments with the candidate of your choice **autonomously.**

## 5- Follow-up

We remain by your side, ensuring **monthly follow-ups** to ensure the success of the onboarding phase and make adjustments if necessary.

## 4- Consulting

Our market expertise ensures you get **the best deal without having to negotiate yourself!** We're here to advise and assist you in every detail.

# Our Tech Solutions

2021

Implementation of an **automated quality tracking process** at key stages of missions, ensuring that client satisfaction remains our top priority.

2022

We launch our in-house tool in partnership with **YouSign**: the Timesheet App! Our clients track their missions and **electronically sign their monthly timesheets with peace of mind.**

2023

Timesheet App evolves and becomes **Zenith App** : Automated contracts, billing, and payments, providing access to important documents. **An agile, interactive, and flawless service for our clients.**

2024

Another in-house tool in the works! **Automated matching** based on the profiles of our IT talents & **personalized recommendations** as soon as the current mission ends.

2025

Stay tuned! We're developing our own **ATS** for a full **Zenith** experience with **unlimited candidate sourcing.**
